

Somers Ponytail Softball
Somers Field Information – Field Road Park
Minor League Coaches thru Senior League Coaches

A. Once the game season starts, fields are primarily available for games only. Your Saturday practice becomes your primary practice day/time. If you are interested in having a practice during the week, please contact Chris @ 680-8579 (cell) or @ 749-5287 (home).

B. If you are having a game or practice in Somers, the following procedure should be followed in case of inclement weather to find out if the fields are playable

- 1.) Go to www.SomersSoftball.com click on “News/Announcements”. If the fields have been closed by the town, it will be listed on the website by 3:45pm.
- 2.) In all cases, should a game be cancelled as a result of weather, please contact the opposing team coach by 4:00pm. The league will contact concession personnel and the umpires.
- 3.) If there is no announcement on the website, please use your discretion. You should never have a practice or game when there is standing water on the fields. Never rake or brush water onto the grass.

C. If a game needs to be re-scheduled on a Somers Field as a result of weather

- 1.) Email Chris that you need to make-up a game in Somers. Chris will provide you with 3 possible make-up dates. Each of those slots will be reserved for you for 2 days. If she does not hear back from you in 2 days, the slots will be opened to the next person requesting.
- 2.) You will need to contact the opposing team coach and agree on a ‘make-up’ date. Because of the short turn around time on field availability, please call the opposing team coach vs using e-mail. Confirm your make-up date w/Chris via phone or e-mail. The league will insure that an umpire will be assigned, the field will be lined, the town is notified, and concession personnel will be contacted.

D. If you know in advance that a game needs to be cancelled & re-scheduled due to other conflicts

- 1.) E-mail Chris. The league will assign a new date & all parties will be notified. It is your responsibility to contact the opposing team coach. It is extremely important that you notify Chris of advance game cancellations so that the town, parks department, umpires and concession personnel can be notified.
